## PROFESSIONAL & MILITARY CRAFT STEERING CONSOLES

Rev 2 – Sept 03  
TECHNICAL DATA SHEET

CONSOLE	base structure	Weight(Kg)	Color
stand up console Z1124	GRP	27	Grey
stand up console Z1047	GRP	33	Grey
stand up console, large Z66012	GRP	44	Grey
stand up console, low Z66013	GRP	40	Grey
stand up console, large Z660002	Aluminum	46,5	Grey
jockey console 2 person Z66014	GRP	40	Grey
jockey console, 1person Z66015	GRP	41	Grey
jockey console, 1person Z1443	GRP	20	Grey
Steering box small Z66028	Aluminum	12 kg	Black

These steering consoles are specially designed for professional & military crafts that are subjected to intensive marine conditions.

Stand up consoles allow both «stand up» when used alone or with a bolster, and «seated» driving position when used with jockey seats. Their design offers comfortable driving, even for long trips in rough sea conditions. Totally enclosed, they are spacious allowing the storage of 2 batteries and ancillary equipment.

The Jockey consoles, ergonomic and compact, are lower and provide more space aboard.

The steering box small can be used on the 3 man tubular jockey seat (Z66006) and can be quickly removed. It can also be adapted to a 1 person or 2 person jockey seat by using the adapter P/N Z65062.

All our consoles are provided with stainless steel inserts for a strong installation on the deck. Jockey seats are described in a separate technical data sheet.

## OPTIONS

On the larger consoles mechanical steering system and steering wheel are an option. You can order with the following P/N:

**Z2583** Steering wheel V38 black

**Z2582** Hubcap and support X34

**Z61062** mechanical steering box

**Z61069** steering cable M66 15 feet / Z61068 12 feet / Z61067 11 feet

**Z65062** adapter to mount the steering box small on a jockey seat (not needed for the tubular seat P/N Z66006)

\* These consoles are best used with a binnacle control box as opposed to side mount.
