ZODIAC MILPRO LAUNCHES NEW WEBSITE FOR LUXURY YACHT TENDERS AND ADVENTURE RIBs.

Zodiac MILPRO (Military and Professional Boats) is proud to introduce its new website.

Some Owners and their Captains like the rugged looks of a Hurricane and their bulletproof Military heritage where sub-standard systems reliability is not tolerated. Others prefer the unique documented customization that is offered by the experienced engineering capability at ZHT.

Based on Military HURRICANE RIBs platforms, produced in Canada (Vancouver) by Zodiac Hurricane Technologies, our Luxury Yacht Tenders and Adventure RIBs are developed to meet specific requirements of highly demanding customers.
